23 DIRECT EXAMINATION

9 Q. When you were -- as far as the Hawaii deal, were
10 you made aware of any sort of transaction Mr. Kenner set up
11 where you can give a commitment or pledge a credit line in
12 lieu of putting all your money in initially?
13 A. Yes.
14 Q. Can you tell the panel what was your
15 understanding?
16 A. Basically the company -- it was set up. The
17 company would pay the payments. I would pledge the money,
18 obviously to get the loan for the property. Again, the
19 company would pay the payments, and I wasn't forfeiting all
20 the amount of money for the piece of property.
21 Q. Were you aware that Mr. Kenner got a credit line
22 against some securities or investments you had?
23 A. Yes.
24 Q. And later on were you aware that Mr. Kenner
25 starting lending this money to another principal in the
916
1 Cabo project named Ken Jowdy?
2 A. Yes.

13 Q. BY MR. RICHARDS: Where did you think the money
14 that Mr. Jowdy -- were you told where the money was going
15 to be used that was given Mr. Jowdy as far as the Mexican
16 project? Was there anything you were told about that?

17 A. Basically just loan him the money for the
18 property.

19 Q. What about bank statements; did you have any
20 problem getting any of your bank statements from Mr. Kenner
21 at any time?

22 A. Not at all.

Basically loan
money to
Jowdy for the
project...

23 Q. And prior to signing any of these documents did
24 you have access to your own attorney unconnected to
25 Mr. Kenner to review this?

917

1 A. Yes, I did. We have a family attorney back home
2 where before I sign any documents basically -- I went to
3 his office, sat with him. We reviewed them, and I signed
4 them and basically FedEx'd them to Phil.
